facebook Group: Willoughby Monthly

Welcome to the November edition of the WM. Last month was pretty good weather wise apart from storm Callum giving us a slight dose of wind and rain. The various village organisations are back in full flow after the Summer.

This month sees the annual Bonfire Party on the field between Moor Lane and the Church, where work is due to start on repairing the roof soon.

Inside there is information about the New Year's Eve Party which this year will have live music from local favourites 'Rustic Roots'!! It should be a great evening, why not take family and friends?

I have from time to time included warnings about on and offline scams which seem to be ever more sophisticated and difficult to spot. There is a web site that is dedicated to helping you:- <https://www.hoax-slayer.net> . Although an Australian web site much of the information is relevant to us in the UK – many of the scams are 'international businesses'. If you are unsure about an email or letter it is worth seeing if this site refers to it, if you don't find it on the local Trading Standard's site: www.warwickshire.gov.uk/tradingstandards

New Year's Eve Party 2018

After seven years of organising the New Year's Eve Party Dave & Sue Waddington are unable to organise the event this year. Thanks are due to them for their hard work over this time.

In order that this popular occasion doesn't disappear from our calendar a small team, led by Brian Hall and including some people who have been involved in the past, has been formed to put on the party this year. The format will slightly change this year with a reduced ticket price of £10.00 which will not include drinks. As before it will require a donation of food towards the American Buffet. Dancing will be to the very popular Rustic Roots, supported by disco music.

Tickets are available from Brian and other members of the team and further details in the enclosed flyer.

Neighbourhood Development Plan

Remember, remember the 4th of November! The deadline for your questionnaire.

Every person in a household can complete a questionnaire - online or on paper. If you like the First Draft Plan, please let us know. If there are things you think we need to consider or change, please let us know. The questionnaire is quite short but very important so please complete yours and return by the 4th.

And, thank you to everyone who came to the Neighbourhood Plan Day on 17 October. Interesting discussions and refreshments were enjoyed by all.

Willoughby Society

Wednesday 30th November at 7:30pm is the Society's Annual General Meeting. As usual the formal proceedings will be followed by cheese, wine, and a quiz. The Society is for everyone who lives in or has a connection with the Village. It's activities are for the benefit of the village and it's residents, some social, some improving the village, some educational. Adult membership is just £7.50 per year, its a bargain!! do join and help benefit our village.

Our last event this year is another Live and Local Show: **STOLEN** performed by the Devils Violin Company. They will take us on an epic journey through a kaleidoscopic world of giant poppies, frozen horses, and shimmering forests of silver and gold... to the Land of No Return. Willoughby Parish Council

As the evenings draw in please wear some high visibility clothing when out walking, especially down the lanes so that you can be seen by motorists.

In the Neighbourhood Development Plan there were some non planning issues and concerns that you highlighted. Amongst these were several where the community could be involved through volunteering.

A baby and toddler group.

Volunteers to take people to the doctors and hospital appointments.

To start a community shop and cafe.

If you would like to be involved in any of these suggested community projects please let the Parish Council know.

Willoughby Jubilee Allotment Association

The Willoughby Jubilee Allotment Museum website is under development and will be available soon. It shows the curious objects found on the allotments so far. Finds include examples of fossils from past geological ages, and evidence of more recent human settlement, rural and industrial crafts, telling the story of Willoughby and past inhabitation.

The Museum is going to be housed in the village telephone box alongside a book swap when the restoration of the telephone box is completed.

If you are interested in taking on an allotment please contact the Association Secretary, Leonie Tromans on 01788 890700.

Police & Neighbourhood Watch

Crime prevention: Property marking is a deterrent to burglars and increases the likelihood of stolen items being recovered. Rachel has the Village property marking kit and can mark items. Contact her (see below) to arrange to take smaller items to her or a home visit, in the village, to mark larger items.

Police Community Support Officers for the area are PCSO 6149 Helena Seal and PCSO Joanne Jackson, our Police Constable is PC 978 Andrew Crouch. They can be contacted on 01788 853851 this is the Safer Neighbourhood Team number so will reach a team member on duty quickly. The team also have an e-mail address : rrs.snt@warwickshire.police.uk .

Neighbourhood Watch: Rachel Settle (Co-ordinator) can be contacted by telephone on 01788 823823 (daytime) or 01788 890724 (evening & answerphone) or e-mail neighbourhood.watch@willoughbyweb.net.
