Volume 15

Welcome to a slightly new look November edition of Willoughby Monthly. We've seen some glorious autumnal days with crisp mornings and cloudless skies. The trees are really starting to change colour too. Pumpkin picking and all things spooky were on the agenda last month. This month we have a bonfire and fireworks to look forward to. Remember to keep pets indoors and safe. Please could I also ask, if you intend to have fireworks at home that you inform your neighbours, especially those with livestock, as it can be a very distressing time for the animals. If owners know, they can make

preparation. Many thanks. There are a good variety of events on this month, hopefully something for everyone. The Flood Action Group will have their first meeting this month too. Hopefully they won't need to see action but it is good to know we have flood wardens and volunteers ready, should the need arise. Hannah

Parish Council News

New Councillor - Stuart Sheppard

We are delighted that Stuart has agreed to join the Parish Council. He moved to Willoughby in early 2020 and lives at Manor Farm Barns. You can meet Stuart at Parish Council meetings and he has offered to act as the facilitator for two of the volunteer groups.

Responses and Solutions document

The Council's 'Responses and Solutions' to issues raised in the Community Survey and at the Community Meeting in September has now been published on the website. If anyone would like a paper copy of this document or the Community Survey Report which contains all the responses from residents, please contact Jo Jarman at willoughbyparishclerk@gmail.com or 07809 197817 and we will arrange delivery.

Volunteer Groups

The response from residents to join volunteer groups to improve our community has been brilliant. There are now five groups being established with councillors acting as facilitators to arrange the initial meetings. The groups are:

- Upgrading street lights: research and write report - Malcolm Lewis
- Community speed watch – Stuart Sheppard
- Updating the flood action plan – Maggie Beech
- Flood wardens - Mike Thomas
- Traffic problems: research and write report - Stuart Sheppard
- Footpaths - Rod Honess has developed an action plan and will take this forward.

If you would like to join any of these groups, please contact Jo Jarman or the councillor concerned.

CHURCH

Building Projects: St Nicholas puzzle is slowly revealing more clues. During the hard hat tour recently it was suggested that the tower was originally separate to the church. This ties in with a 1630 receipt for loads of stone to build a steeple. It will be interesting to see what is revealed when the tiles are taken off the other side. Please contact Karen if you are interested in a hard hat tour (07866572209 or kjndon@aol.com). It is hoped the building work will be complete by Christmas.

Children's choir for the Carol Services. For children aged 5-11 from Willoughby or Grandborough. Rehearsals 9-30 to 10-30 Sunday 20th Nov, 27th Nov, 4th Dec and 11th Dec.. Enquires Kathryn Watson 07952 884390, Natalie Heckford 07793020585 and Karen 078667572209.

The Heritage calendars will be on sale £5. Lovely pictures of the village and space to jot down those all-important events we have in our lives. We also have post cards and cards of our Peace Window. Look out for these at future church events. Sponsored by the National Lottery Heritage Fund.

Remembrance Sunday 13th Nov. 4pm. Join us for Memories of the World War 2 with music and memories from those who volunteered to keep our country running whilst the men went off to fight.
